Achievement Awards

National Volunteer Week (NVW) is an annual celebration to acknowledge the generous contribution of our nation's volunteers.

National Volunteer Week is the largest celebration of volunteers in Australia, and provides an opportunity to highlight the role of volunteers in our community and to say thank you to the more than 6 million Australians who volunteer.

Our school would not be able to run as efficiently without the continued support of our volunteers - parents, neighbours, friends and 'others' who volunteer on a daily basis. One of the significant outcomes of this wonderful support is that we further develop a culture of giving in our school. A spirit of support and helping is contagious.

A huge thank you and well done to our many volunteers – you are all an extremely valuable part of our school team.

Extend Before and After School Care at Launching Place Primary School

Our weekly recap

We've had lots of fun with some inside game activities like Lego, Bingo and marble run, as well as some art activities including box craft. We used recycled boxes to make animals and planes. The kids also did loads of drawings for our display walls and participated in outdoor group games like octopus, ship shark shore and tiggy. If you have any recycling we could use in our box craft please bring it in so we can make more artistic creations.

Michelle, Team Leader

Our Extend Superstar is Jack R. for helping with all the cleaning up duties.

What's on next week:

Monday 16 May:

Basketball practice, cubby houses, free play

Tuesday 17 May:
