This week 51 Prep/1/2 students headed off to Yarra Junction pool for our swimming program. Living where we do, so close to the water, we value the importance of our kids knowing how to safely engage in and around aquatic environments.

The swimming program aims to build our students' confidence in the water through a range of activities aimed at not only improving swimming competencies but importantly, developing safety awareness as well.

With a program like this, the first few days can be a little frantic as the swimming tutors sort out groups and individuals before settling into their daily lessons, but from all accounts everything has run extremely smoothly. Of course, the learning of swimming skills is only one part of it. Importantly we need to remember that the program is as much about building independence and resilience as it is about swimming itself. To this end, we send out our enormous thanks to our band of wonderful parents who have volunteered their time to help our staff at the pool.

The swimming program at Launch has always been well supported which is gratefully appreciated.

## Parents & Friends News

What an afternoon we had on Friday.

We hope the kids had fun, we sure did, and I think some staff may have as well. A BIG BIG BIG thank you to those that made the effort to fundraise and support our school. We hope to have a final amount of how much was raised in the next couple of weeks. Another big thank you to Paul and Glen for helping set up throughout the day. Look out for this week's local papers there may be a little article.

Our next and final event on the calendar for 2018 is our Food Truck Christmas fest. This will be the same night as our Christmas carols.

There will be plenty of food

and some great stalls to get a bit a Christmas shopping out of the way. If you are interested in a stall or know someone that would be please get them to email me and I can give them a form to fill out.

There are a few spares at the office.

As per every year, we will have our Christmas raffle. We will send home a note shortly asking for donations.

We would like to take this opportunity to thank every student, parent, grand parent or friend that has supported all our fundraising efforts throughout the year.

Our final meeting will be held on Thursday 6<sup>th</sup> December at 9.00am. Everyone is welcome.
