## Practice Emergency Drill

Today the whole school took part in an emergency drill. From all accounts the practice ran extremely smooth with the whole school evacuating to the oval. Every year the school's Emergency Management Plan is updated and forwarded to the DET, local preschools, emergency services and the CFA. All staff receive a copy and are made familiar with their roles and responsibilities. Emergency management backpacks are located in each classroom for easy access.

Further information regarding our Emergency Management procedures will be in next week's newsletter.

## School Captain's Report

**Prep:** This week in Prep we looked at the difference between letters and words and we also looked at the letter T. We have started reading during this time. In Maths we learnt about length and we enjoyed measuring things in the classroom (including ourselves) using counters, blocks, teddies and other things. In integrated studies we looked at who was in our family.

**1/2:** It's been a busy week in 1/2. We're learning new CAFÉ strategies and we're beginning to explore the writing process— from collecting ideas, drafting, making improvements to our writing and publishing. We have been expanding and ordering numbers in Maths, and loved our first gymnastics session, which was heaps of fun.

**3/4:** This week in 3/4, we looked at using comprehension cards correctly to improve our comprehension at our own level. In writing, we looked at gathering ideas in our Writer's Notebook. In Maths, we learnt about transforming shapes by splitting, tessellating, flipping, sliding and turning them.

**5/6:** This week in 5/6, we have been learning about place value and are enjoying our class novel because of Mr Terupt. We have enjoyed interschool swimming and kayaking.

or by email : [bluebirdmusicstudios@yahoo.com](mailto:bluebirdmusicstudios@yahoo.com)

### LOST PROPERTY

**FITBIT Found please contact the office with full description. Thank you.**

Remember our Clean Up Australia Day event is on tomorrow **Friday March 1<sup>st</sup>, 3:00 - 3:30pm**. Please join us at Jadodade Park.

This neighbouring parkland is an important community asset for recreational use, as well as a vital habitat for native birds and wildlife.

A lot of litter in Jadodade Community Park comes from our own school grounds. This event is a step towards reversing our impact.

Some gloves will be provided to the school, however if you have some, it would be great if children can bring a pair of thick gardening style gloves.

**Come and sign up on Friday 1st March at the Yarra Centre!**
