

## Launching Place Primary Carpark

**Urgent News:** Temporary Fencing  
being installed Friday 29<sup>th</sup> May

**Commencement Date:** Tuesday June 2<sup>nd</sup>

### Parking Arrangements:

1. Staff will be parking in the school grounds, with most entering off Woodleigh Court. This will free up the staff car park for use by parents. This will be closely supervised to cater for entrance and exit control. There are 13 car parking spaces available. Parking will only be in the designated space to allow for turning.

2. Parking is available at Jadodade Park near the Launching Place Preschool. I have attached the kinder start and finish times to make you aware of the possible impact our use of the carpark will have on the Preschool. Please be aware that the Preschool has priority use of the carpark. The biggest clash would be at the start of the school day.

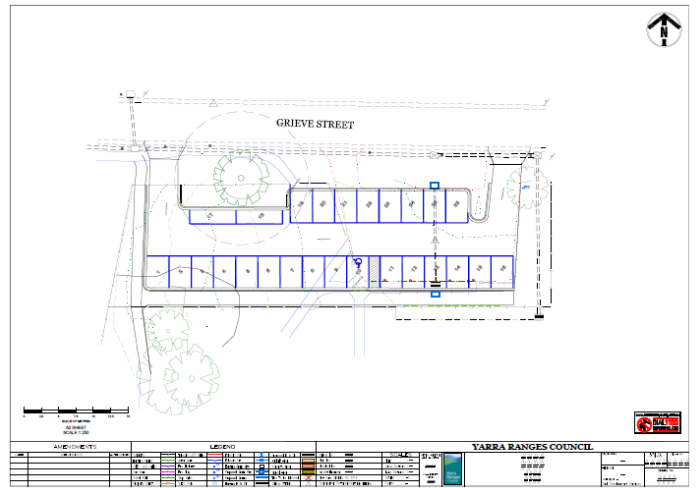

**Start:- 8:45am Finish:** Mon/Wed/Fri - 1:45pm; Tues/Thurs - 4:15pm

3. **'Walking School Bus'** from Jadodade Park at 8:30am each day

4. A **'Kiss and Drop'** zone in Carter Street will be marked out with witches hats.

5. A pedestrian walkway will be provided from Grieve Street but please avoid this entrance if at all possible.

6. Parking or dropoff at Log Cabin, especially for the older students who can then walk to school

### Things to think about:

Can you set up a carpooling arrangement with a neighbour?

Can you walk or ride to school?

Are you able to use the 'Kiss and Drop' spot or 'Walking School Bus'?

**Short term pain for long term gain...**
