

Launching Place Primary School

Transition Timetable

2017 School Entry

Thank you for enrolling your child in our school. [If you have yet to complete all of the paper work please do so as soon as possible.] We look forward to getting to know you and your child better as we work together on the next stage of your child's education. Transition sessions play a very important role in the step from Pre-School to Primary School and we encourage you to bring your child along to as many sessions as you can. Term 4 transition sessions are for children who will be attending our school in 2017. The aim is to help familiarise children with the school environment, the staff and other children who will be attending LPPS.

During this term's sessions we invite you to leave your child for a period of time and enjoy a cup of coffee or tea with other parents in the staff room. Of course if your child is not quite ready for this yet, you are welcome to stay in

When	What	Where
